

As part of your UCC membership, you are granted access to a premium membership to [PrepLounge](#), a case interview preparation resource. Here are the steps to take in order to utilize this resource:

1. Go to [www.preplounge.com](http://www.preplounge.com)
2. Click on “Get started for free”
3. Use your live.unc.edu email address to create a new account (as long as this is the one you gave us when paying for membership on Square). However, if you used another email address on Square, use that one to create your PrepLounge.
4. Create the password that you’d like to use
5. Click “Sign up for free”
6. Once you’ve hit sign up and log in, you should see “Premium via University of North Carolina” at the top of your dashboard. Because you’ve used your live.unc.edu that we’ve given to PrepLounge to show that you are a UCC member, your account will automatically be upgraded to a Premium membership.
